What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- **Investments & Pensions, for example an ISA or Personal Pension Plan;**
- **Personal & Family Protection, for example a Life Assurance or Critical Illness Plan.**

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives to determine if these services are suitable for you. We will then undertake research in order to provide a personal recommendation(s) and related information relevant to your individual circumstances. If, after due consideration you would like to accept any or all of our recommendation(s), we will then implement them and arrange any products and/or related services on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through one of our service packages. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and when you need them. Ultimately, whichever type or level of service you require from us we will act in your best interests at all times.

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost of our services and how we get paid for them.

INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and/or retirement objectives. We provide independent advice, which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
 - Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
 - Insurance Based Investments, including Capital Investment Bonds and Endowments;
 - Structured Capital at Risk Products (SCARPS) and Structured Deposits;
 - Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes.
2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend investments in the IFSL Sinfonia Open Ended Investment Company (OEIC). This investment company has been jointly developed between BNP Paribas and Sinfonia Asset Management Limited, a subsidiary of Tenet Group Limited. We may also recommend that you hold and trade your investments via Tenet Platform Services Limited, a subsidiary of Tenet Group Limited.

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS&I), or Inheritance Tax Planning (IHT).

Ad-Hoc or One-Off Review Service

This service is typically suitable for those who don't want to pay for regular reviews by their adviser and prefer to monitor things themselves. Upon request, we are happy to offer one off or 'ad-hoc' reviews of an investment/pension we set up for you should the need arise.

The cost of this service will vary depending on the complexity of the work and how long it takes to complete. Our charges for this service are **£200 per hour (exc. VAT).**

A typical review will include:

- **Updating the information we already hold about you;**
- **Re-confirming your objectives and risk profile;**
- **Providing you with recommendations regarding the on-going suitability of your portfolio, and;**
- **Subject to your agreement, implementing any adjustments to your portfolio we recommend e.g. fund switches.**

Example cost:

For a portfolio containing 2 separate arrangements (for example a personal pension and an ISA) we would expect a typical review to take approx. 3 to 4 hours calculated in 15-minute intervals.

For example, if it took us 3 hours and 30 minutes to complete a review, our fee would be **£700 (exc.VAT).**

What are your payment options?

- We accept direct payment by cheque, debit card, or bank transfer.
- We do not accept cash or credit cards.
- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only, you can choose to pay our fees by instalments.
- We will allow you to settle our fee in up to 12 monthly instalments over a maximum term of 12 months.
- If you choose this option, we will not provide you with any further services until all the instalments have been paid in full.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product.
- These deductions will go towards settling our fee and will reduce the amount left for investment. An example of how this payment plan works in practice is set out below.

Example

You choose to accept our recommendation to invest **£250 per month** into an investment product. Our fee for advice and arranging this on your behalf is **£600**. You choose to settle our fee in **12** equal monthly instalments deducted from your first **12** monthly contributions to the product, as follows:

Investment	Contribution Amount	Fee Deduction	Amount Invested
------------	---------------------	---------------	-----------------

Frequency			
Month 1	£250	£50	£200
Month 2	£250	£50	£200
Month 3	£250	£50	£200
Month 4	£250	£50	£200
Month 5	£250	£50	£200
Month 6	£250	£50	£200
Month 7	£250	£50	£200
Month 8	£250	£50	£200
Month 9	£250	£50	£200
Month 10	£250	£50	£200
Month 11	£250	£50	£200
Month 12	£250	£50	£200
Month 13 onwards	£250	N/A	£250

- You can also choose to pay the fee instalments due to us directly from your bank account by standing order. For example, a fee of **£600** paid over **12** months would mean **12** monthly instalments of **£50** are collected from your bank account. Standing orders are normally collected on or around the **15th** day of the month.
- Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.**

Other benefits we may receive

If we take over the servicing rights of your existing arrangements that were arranged by another firm, we may be entitled to receive an on-going payment as a result. This is commonly referred to as 'trail commission'. Where this is the case we will offset the amounts received against our on-going service fees. For example, if our on-going service fee is £500 and we receive £200 trail commission from existing arrangements retained as part of your portfolio, the net fee due to us would be £300 (exc. VAT).

Some of the firms whose products we recommend provide us with access to training and software which allows us to offer you a better service. Some of the costs of these benefits may be passed onto you as part of the total charges you pay, should you choose to purchase a product from one of these firms. Further information regarding these arrangements is available on request.

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from investment product providers, for arranging investments.

INFORMATION ABOUT OUT INSURANCE SERVICES

Personal and Family Protection

We are insurance intermediaries who offer products from a range of insurers based on a fair and personal analysis of the market for Life Assurance, Critical Illness Cover, and Income Protection Insurance.

How much do we charge for our insurance services?

We do not usually charge a fee for advice and arranging an insurance product. We will receive commission from the insurer and this is reflected in the premium amount you pay to them. The amount of commission we receive will vary depending on the type of contract, term of the cover and the premium amount.

We will tell you how much commission we expect to receive before we transact business for you. You will receive a quotation, which will tell you about any other fees relating to any particular insurance policy we arrange for you.

You also have the option to pay for our insurance services by way of a fee. The amount we charge will depend on the amount and complexity of the work required. Our standard rate of £200 per hour will apply and is charged in 15-minute intervals. For example, if we spent 3 hours and 30 minutes preparing a recommendation and arranging the insurance product for you, our fee would be £700 (exc. VAT). Our fee becomes payable when we provide you with our recommendation(s).

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from insurance product providers, for arranging insurance contracts on your behalf.

INFORMATION ABOUT OUR OTHER RELATED SERVICES

Non-Advised Services

We will tell you how we get paid and the amount before we carry out any business for you.

Credit Broking

We are also Credit Brokers. This means that if you require a loan other than a mortgage (e.g. a personal loan) we can refer you to a specialist third party who can discuss your specific needs with you. We will not advise you on this type of borrowing and you will need to make up your own mind whether to go ahead with it or not.

WHAT HAPPENS IF YOU HAVE A COMPLAINT?

If you are unhappy with the service you have received or a product we have arranged on your behalf, a copy of our complaints procedure, which sets out how we will handle your complaint, is available upon request.

If you would like to make a complaint please contact us either in writing to: **Complaints, TenetConnect Limited, 5 Lister Hill, Horsforth, Leeds, LS18 5AZ**; or by e-mail: complaints@tenetgroup.co.uk; or by telephone: **0113 2390011**.

ARE WE COVERED BY THE FINANCIAL SERVICES COMPENSATION SCHEME?

Yes, we are covered by the FSCS. You may be entitled to compensation from the scheme if we are unable to meet our obligations. This will depend on the type of business and the circumstances of the claim. The FSCS only pays compensation for financial loss and the limits are per person per firm, and per claim category, as listed below:

Investments:

Arranging and advising on most types of investment (e.g. an ISA) is covered up to a maximum limit of £85,000 per person per firm.

Long Term Insurance Contracts:

Arranging and advising on long term insurance contracts (e.g. a life insurance policy, personal pension or annuity) is covered for 100% of the claim without upper limit.
